

# July Newsletter

Dear Parents

I think you should be very proud of the players performance in Saturdays Tournament losing in the quarter final to the Tournaments Runners up 1-0, not much between the 2 sides in a 10 minute one way match, so well done boys!!!!

We are entered for the SJB Tournament @ Wimslow High School this Sunday (24<sup>th</sup>) so fingers crossed we can collect some silverware. 1pm Start

I've arranged an Friendly Match @ home against Reddish Villa, who beat us in quarter finals on Saturday, this match is on Saturday 30<sup>th</sup> July 10am KO.

Furthermore I've arranged a Friendly Match @ home against the winners of Saturday's tournament Flixton Rangers this will be @ home on Saturday 20<sup>th</sup> August 10am KO.

Then there is a Dunkinfield Youth Tournament on the August Bank Holiday (29<sup>th</sup>) time to be confirmed. Which we have entered.

We are entered in u8's 16 teams league which is 2 matches every week at home which is scheduled to start 17<sup>th</sup> September and will have fixtures for a whole season which we are very lucky to be paticipating in.

I believe we have a great side here which as a group as only been together a matter of months and out of 32 teams from across the north west we reached the last 8, Reddish Villa for example have been together in the main from under 5's which for those who don't know is how old Joshua is so I think it shows the potential of this young Burnage Metro team.

The Subs will be £20 per calender month with no signing on fee and speak to Russell regarding this matter.

Training will continue throughout the Summer every Tuesday and Thursday from 17.30 to 19.00, we also hold a Soccer School if any of the boys have any younger brothers or sisters would be more than welcome.

I would like to finish by thanking you and the players for the Thank You card was very much appreciated. And, I hope the boys all like there new kits!!!!

Thank you

Bryan
