

Burnage Metro Looking to the Future

South Manchester based Burnage Metro F.C. are looking to secure their future playing membership, by introducing a junior section to its already successful outfit.

The Club formed in 1938 has a proud history, once had had former Busby Babe, Roger Byrne, in their ranks, before he went on to captain Manchester United and England.

In recent years, the Club achieved off the field recognition receiving Manchester F.A. and awarded North West Regional Adult Charter Club of the Year awards.

Football Development Officer, Russell Hoyte says “The Club has always had a strong youth system and is now keen to introduce a junior programme to maintain its supply of young

players for the future.

Over the last few months we have been hosting a twelve team Under 7 junior tournament, that has proved a massive success for players and parents.

Introducing junior football is a main part of the Clubs development plans for its teams and facilities.

We will be initially running Under 8 teams next season, who will participate in the newly formed South Manchester Junior League, which the Club have been hugely involved in.

We will also be looking to have a Soccer School for Under 5/6 year olds that will trained by the Clubs F.A. qualified coaches.

It is an exciting project that is fully supported by the Manchester F.A. and Manchester City Council.”

If you have a child who would be interested in joining the Club, please contact Russell Hoyte on tel. 07876688978 or by email juniors@burnagemetro.co.uk. More details can be found on the Clubs website www.burnagemetro.uk/juniors.
